The references cited in this Information Disclosure Statement were cited in the European Search Report dated June 29, 2005 from the European Patent Office in the corresponding European application (EP 03015985.9). This Information Disclosure Statement is being filed within three months from the European Search Report.

Applicant respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached Substitute PTO 1449 form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and the Applicant determined that the cited documents do not constitute "prior art" under United States law, the Applicant reserves the right to present to the Patent Office the relevant facts and law regarding the appropriate status of such documents. The Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Respectfully submitted,

Ken I. Yoshida
